NOTIFICATION

Autumn Semester 2021 Revised Reporting Dates for Students

Considering the second nationwide COVID-19 Vaccination Program scheduled for the next one week beginning from 20th July 2021 and to enable the students to recover from any side effects of the vaccine and accordingly plan their travel to the College, the College Management would like to notify our students to report to the College for Autumn Semester 2021 in two different phases as given below.

Phase I students will report to the College on **4th August 2021** and **Phase II** students will report on **8th August 2021** and **NOT** on 1st August 2021 as notified earlier. The revision of the students' reporting date is also expected to enable the students to arrange their transport for travel and avoid the risk of making the students to report to the College in a big group amidst the COVID-19 community transmission detected at Samtse over the last few months. This announcement supersedes the earlier notification issued regarding the students' reporting date to the College.
